

Recognize and Reward with the Achievers Platform

Achievers Recognize is an employee engagement platform that powers successful recognition and rewards programs.

Recognize integrates your existing workflow processes into one platform that delivers a simplified and compelling experience for your employees—from recognition to reward.

Recognize employees using social or monetary recognition across your entire organization with real-time manager to employee and peer-to-peer recognition, regardless of each employee's location.

Driven by data and ease of use, your administrator will have clear visibility to how your recognition programs are performing against your defined objectives as well as the ability to tune your recognition strategy to ensure continued success.

Achievers offers more than simply a leading-edge platform—we provide an end-to-end experience that maximizes your investment in recognition and rewards. We provide you with a dedicated team to help you get started and to guide you through your journey of recognition using our tried and tested best practices. We offer an extensive global reach (over 150 countries) and a unique market differentiator, in our locally fulfilled marketplace of rewards from which your employees can redeem using points accumulated.
